Your way forward

draft — consultant review required | revision 1
Prepared 2026-10-13 | SYNTHETIC ASSESSMENT — no commercial results

Your Situation

Context: Independent nail technician; I work alone

Starting point: established

Goal: A credible gallery of treatments; keep WhatsApp enquiries

Current Position

Presence: instagram

Tools: WhatsApp

Confirmed challenges: credibility

Opportunities

You want a more credible presentation of your work.

A professional contact identity may support your credibility goal.

Recommended Solutions

Professional website — in-house

You want a more credible presentation of your work.

Evidence: problems: credibility; goals: A credible gallery of treatments; keep WhatsApp enquiries; presence: instagram

Potential benefit: A focused presence for your offering and enquiries.

Confidence: conditional — based on self-reported facts; consultant validation required

Business email and domain (optional) — third-party technology

A professional contact identity may support your credibility goal.

Evidence: problems: credibility; presence: instagram

Potential benefit: Configure a domain and provider-managed mailbox.

Confidence: conditional — based on self-reported facts; consultant validation required

Possible Approaches

Professional website: Improve the current process first; Use a suitable existing third-party tool

Complexity: low to moderate, subject to review. Dependencies: Confirm requirements and ownership; Confirm ongoing maintenance and vendor terms

Business email and domain: Improve the current process first; Use a suitable existing third-party tool

Complexity: low to moderate, subject to review. Dependencies: Confirm requirements and ownership; Confirm ongoing maintenance and vendor terms

Costs & Considerations

Budget: Not established

Constraints: Limited technical knowledge

Professional website: manual_review. Recurring costs: vendor quote required.

Business email and domain: manual_review. Recurring costs: vendor quote required.

All estimates are drafts. Implementation, vendor subscriptions and recurring maintenance require separate review.

Your Way Forward

Timing: No fixed date

Review the evidence and unresolved assumptions with the consultant. Choose the smallest useful first step. Confirm scope and costs before implementation.

Professional website: Review this option with the consultant

Professional website: Validate constraints, budget and acceptance criteria

Professional website: Reference-informed check (Independent nail services, seed): What actually happens today?
